

Players Field was dedicated in May 2009 as the home of the Lima Central Catholic Thunderbird Baseball Team. Located on the LCC Campus at 720 S. Cable Rd., the complex was generously donated by Mr. Leo Hawk (St. Rose '51) and the Ar-Hale Family Foundation.

The Class of 2012 was the first team to play all four years on the field, and finished the 2012 season with a 22-9 record and a heartbreaking 1-0 loss to Wheelersburg in the DIII State Championship game at Huntington Park in Columbus. An interesting fact about the 2012 team is that all nine starters on the state runner-up team were the son of at least one LCC graduate, and 8 of the 9 had at least one grandparent who graduated from LCC or one of its Lima Catholic High School predecessors.
