

Service Hour Paper Rubric

Requirements:

- 3 pages
- Double spaced
- 1" margins
- 12 point font

Questions to answer and things to think about:

1. What service did you do?
2. Where did you do it?
3. Who was it for?
4. Did you do it alone or with a group?
5. How did you get involved with this service?
6. Did you like the service?
7. Did you see others benefit from it? (Directly or Indirectly)
8. What was the best part of the service? What was the worst? Why?
9. Would you do it again? (Would you do it without recognition for it?)
10. How often did you do the service? (1 time, once a week?)
11. How did you feel while doing the service?
12. How did you feel when the service was complete?

This should be a reflective paper. Do not simply answer the questions but think about them and elaborate on them. These questions are to help you get started, they are not restrictions.
