

St. Charles Borromeo Parish Scholarship for LCC Students

St. Charles Parish is committed to helping families provide a Catholic education for our children. To this end, the parish provides a scholarship to high-school age parishioners who wish to attend Lima Central Catholic High School. The amount of support for the 2017-18 academic year will be \$800 per student.

To be eligible for this parish scholarship, families and students must actively participate in the life of St. Charles Borromeo Parish and its ministries. This means that the family and student are registered members of St. Charles Parish and participate in the sacramental life of the parish through **regular** Mass attendance on the weekends. In addition, the family and students live as disciples and practice stewardship—a giving of their time, talent, and treasure in order to further the mission of St. Charles Parish. These families also uphold Catholic values at home.

Applications for the parish scholarship shall be submitted by July 1, 2017, for the 2017 – 2018 academic year. Eligibility will be determined and forwarded to Lima Central Catholic by July 14, 2017. Eligibility shall be determined once per year. As part of the process, the pastor may request a meeting with the student and family, either in a group setting or individually.

The scholarship will continue through the academic year unless your family's status as members of the parish changes or your son or daughter withdraws from LCC.
